Written Medical Documentations:

- The medical documentation must be on the WIC Program Medical Documentation Form or physician's prescription pad
- All required information must be included
 - Participant's Name
 - DOB
 - Medical Condition
 - ICD code
 - Formula/Product prescribed
 - Amount per day
 - Special instructions of preparation or dilution
 - **DURATION**
 - Signature of Provider
 - Name of Provider
 - Medical office/clinic
 - Address, Phone, Fax and Date
- Prescription forms developed by product manufacturers are NOT acceptable.
- Staff may accept written medical documentation that is faxed, emailed, or mailed by the prescribing individual, or is brought to the agency by the participant.
- Visit our website <https://www.piedmonthhealth.org/WIC/> to find the **Medical/Prescription Documentation** form.
